

MYSTIC

FORTUNE

TELLER

A psychic tool for use in becoming the soothsaying center of one's social network attention.

1
the forecast is generally sunny,
with a few dark clouds
on the horizon

1
chocolate will go
in gourmet ways
you will have dreams about going
to school naked, but they will
mean you've only forgotten
to wear your pants

1
that's a question to ask a fortune teller,
that's a question for a shrink

2
I think we both
already know the answer
to that question

2
what kinda self-centered
narcissist ego maniac
asks a question like that?

2
"sesquipeddian"
you will look up the word
you will in the immediate future
be careful who you kiss,
you never know where
a mouth has been

4
nobody cares about your damn question
but here's one for you: just what
the hell is the difference
between taupe and
beige?

4
nobody has to be particularly nice
naughtily will prove an occasion
you will never as long as you have
a cigar as long as anything about it

3
one will acquire a magic pair of socks,
other will mysteriously
disappear altogether
you will reward inattention with
an insufficiency of toilet paper
at a most inopportune time

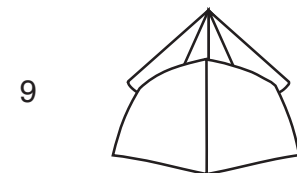

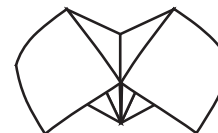

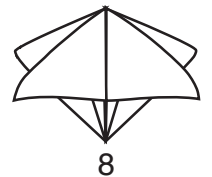

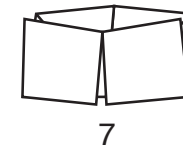

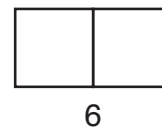

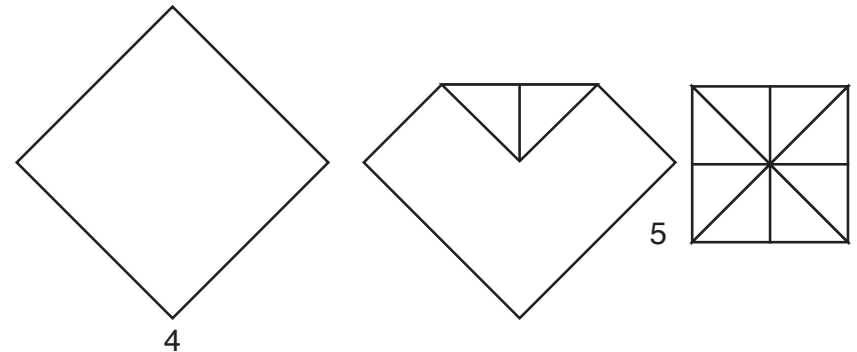

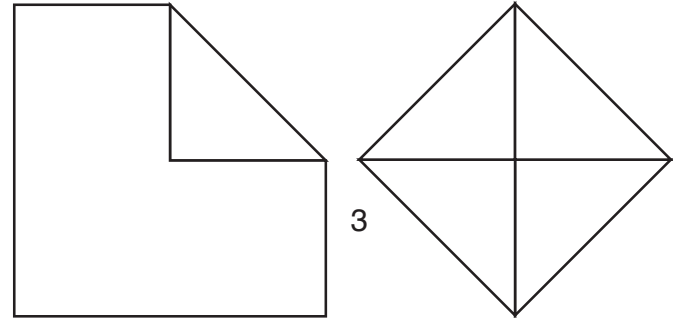

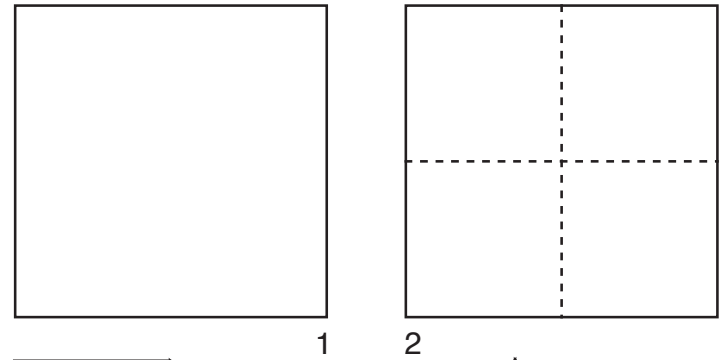

3
what do you think this is,
a crystal ball or something?

4
if I knew the answer to that question,
would I still be wiggling this
silly piece of paper
in your face?

3
is sex all you
ever think about?

folding instructions

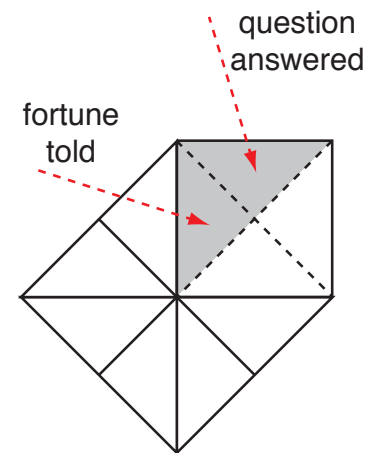

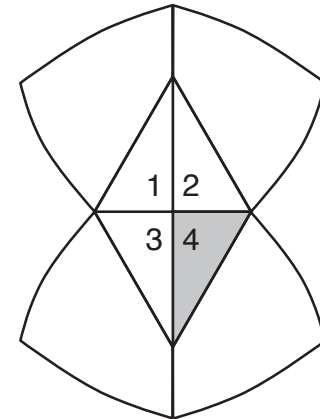

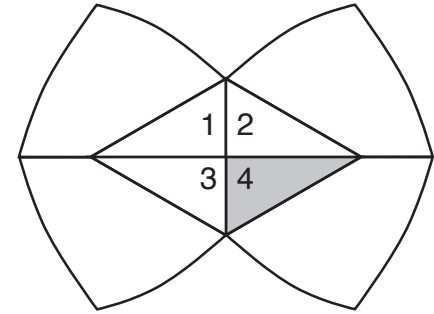

1. cut out fortune teller from page, and place face down
2. fold paper in half both ways, to establish center crease
3. fold all four corners to meet in center
4. flip over and place text side up
5. fold four resulting corners to meet in center
6. fold in half, keeping text to inside
7. slip thumb and forefinger of each hand under corner flaps
8. as inserted fingers expand paper, push corners to center
9. open and close, latitudinally and longitudinally

operating instructions

The fortune teller will either answer a question or provide its bounty of perspicacious insight

1. select a number from 1 to 10
2. alternately open and close fortune teller latitudinally and longitudinally for a total of that selected number of times
3. select a number from 1 to 4
4. the selected number determines which of the particular interior numbered flaps, exposed by the final opening in the sequence, will reveal the fortune
5. questions are answered in the upper half of each opened flap, and the insight is separately provided in each lower half
